

**AT EVERY OLYMPICS
THERE IS
ONE ATHLETE
WHO ENDS UP INSPIRING
THE WORLD WITH THEIR
COURAGE AND CHARACTER.**

**WE'RE HOPING THAT ATHLETE
IS READING THIS.**

WHO WILL STAND UP FOR TIBET THIS SUMMER? As 11,000 competitors gather to stand up for their countries, we ask them this: will one among you also stand up for Tibet? With the Olympics beckoning and the world looking to be inspired by your heroism, we remind you that 6 million Tibetans look to you for the very same thing. You can be there for Tibet, for they cannot. You can speak up for Tibet, for they have been silenced. The people of Tibet pass their torch to you. Will you carry it for them in Beijing?
